Subject: Email Blast - URGENT

## **UPDATES:**

### **First UMC / Email Blast**

❖ **\*TICKETS AVAILABLE\*** **Nebraska Brass Quintet** / A Nebraska Brass “Ho, Ho, Ho” Holiday Christmas performance will be held on **Friday, November 30 @ 7:30 PM**. You can purchase tickets in advance, and First UMC will get a portion of all pre-sold tickets! What a wonderful event to kick off the Christmas season! Tickets can be purchased in the Church Office. Adults \$12; Seniors \$10; and Children are FREE! Invite your friends & neighbors for a great way to kick-off the Holiday season!

❖ **\*CANCELED\*** **UMW Christmas Brunch** / UMW has *cancelled* the Annual Christmas Brunch that was scheduled for **Sat., Dec. 1** due to the wintery forecast and projected snow amounts. Watch for ways that you can help to support “Alice’s” UMCOR Water Well Project!

❖ **\*WEATHER-RELATED\*** **Weekend Worship & Activities** / Our worship services **WILL BE HELD** unless travel is not advised by local Emergency Management Services. If there are cancellations and/or changes to our schedule, we will do our best to post information on-line with the radio stations in town.

This will be true this weekend for our pastors (inspired by a Kansas pastor from last weekend): **“We’re at church and have made a pot of coffee. If no one shows up, we will drink a few cups and go back home. If two or three of us show up, we will have a cup of coffee and pray. If ten or fifteen of us show up, we’ll all have a cup of coffee and talk about whether we want to go back home after some reflection and prayer. If more than that show up, we will have worship. Most importantly PLEASE use wisdom and good judgment. If you are uncertain whether or not you should try to drive, don’t. We would rather have you safe at home than in an accident, injured, or**

**worse. Safety is the priority. Stay warm, stay dry, stay upright, and know you are not alone.” Bottom Line: we will plan to worship with few or many – we would love to have you come to church; use your best judgment in terms of the weather.**
