NEW OUTREACH CENTER NEWS

“Christmas Comes Early”

What an awesome response from our congregation as we received:

\$650.00 for paint

\$400.00 in Walmart and Menards gift cards

plus many, many In-kind items

Update on Cleaning and Painting

The cleaning is almost done

Friday afternoon and Saturday morning UMW will be cleaning the kitchen

Saturday morning we will begin painting

There are plenty of rollers and pans so we hope to see lots of people ready to paint

Lunch will be served

Sale, Sale, Sale

The following items were left by the former Outreach Center owners

Filing Cabinets - both 2 and 4 drawers

Desks

End Tables

Long Tables

Wall Dividers

Floor Lamp

Newer Maytag Washing Machine

All items are available now at the new Outreach Center and will be sold “as is” for a donation

The Outreach Center OPS Committee wants to thank everyone who

gave to “Christmas Comes Early”

has already helped to clean

plans to paint

Ted Nelsen for a Roll-off for throw-aways

is helping in some other way

and everyone who continues to pray for the success of our Outreach Center.

It is exciting to see our members working together to make our dream of a New Outreach Center come together.
